DESIGN EXPERIENCE:

TRUE SCIENCE EAGLE, IDAHO
GRAPHIC DESIGNER
7/13-PRESENT

I'm responsible for the concepting and design of various products for cats and dogs (health & wellness, flea & tick, treats and pet food). I also designed point of sale, in-store signage and advertisements. I designed print media including logos, sales materials, packaging, illustration, identity, and various other collateral.

BOISE STATE UNIVERSITY BOISE, IDAHO
ADJUNCT PROFESSOR
1/14-5/15

I have taught Upper Division Graphic Design (art 488) and Digital Tools for Visual Artists (art 297) Teaching students, I created design assignments and lead lectures based on those assignments. I lead critiques and graded students progress through the course of the class.

ASPEN LABS LLC BOISE, IDAHO
CREATIVE DIRECTOR
3/13-7/13

I was creative director for the magazine, PULSE. I was also creative director for the online community EEWEB.com. I also worked on online advertising materials for tech company's such as Texas Instruments, Micron, Microsoft and others. I also produced sales and advertising materials for Aspen Labs LLC.

PUBLICIS BOISE, IDAHO
ART DIRECTOR
8/06-3/13

I worked on projects from concepting to end production. I designed and art directed print media including logos, ads, brochures, event materials, sales and recruitment kits, direct mail campaigns, packaging, illustration, story boarding, re-branding, and various other collateral. I designed, programmed, and art directed web media including websites, html emails, web banners, animations, and interactive environments. I art directed illustrators, designers, photo and video shoots.

JEREMY RYAN DESIGN BOISE, IDAHO
